Welcome To The **38th National Congress of The South African** **Society Of Obstetricians & Gynaecologists**

The organising committee welcomes you to the beautiful city of Durban and to the 38th National Congress of the South African Society of Obstetricians and Gynaecologists. The city of sunshine and surfing awaits you and the scientific committee will make every effort to provide an exciting programme.

The meeting will focus on an array of topics that will include ground-breaking research, new surgical innovations, live surgery, hands on workshops, state of the art lectures and memorable social events.

South Africa is truly unique in that we have both 1st and 3rd world pathology in the same regions nationally. The theme "advocating equitable access to women's health" fits the current challenges we face in the medical field.

A number of internationally and nationally respected experts will share their experience and knowledge and the scientific committee is planning an excellent forum for informative discussions.

The committee looks forward to welcoming you and to extend its warmest hospitality, to ensure that this event is an unforgettable experience.

The 8TH Congress of the
Asia Pacific Initiative on Reproduction

12-15 APRIL 2018
TAIPEI, TAIWAN

Precision Medicine In Human Reproduction

Greetings from ASPIRE 2018 and welcome to Taipei.

The 8th Congress of the Asia Pacific Initiative on Reproduction (ASPIRE 2018) will be held in Taipei from 12 to 15 April 2018. Based on the positive feedback from previous congresses, we are honored to announce that main topics such as fertility preservation, embryology, andrology, clinical trials, PCOS, PGS and IVM will be remained. The aim of ASPIRE 2018 is reflected by the conference theme: "Precision medicine in human reproduction".

We cordially invite physicians, clinicians, nurses, researchers and academics to join this world-class event to further discover and discuss the development of the field. Besides inviting top notch speakers to hold scientific lectures with the most updated contents, we will also arrange plenary sessions and interactive workshops for all participants to exchange experiences and ideas.

We are more than excited to invite you to Taipei, a lively city combined with breathtaking natural views, unique cultural experience and delicious international cuisines. With the educational academics and social events, we are sure this congress will definitely be remarkable.

We look forward to welcoming you at ASPIRE 2018 in Taipei!

**15TH CONGRESS OF THE EUROPEAN SOCIETY
OF CONTRACEPTION AND REPRODUCTIVE HEALTH**

BUDAPEST, HUNGARY, 9 - 12 MAY 2018

**Family planning and contraception
from adolescence to the menopause**

**We are delighted that our Society has organised this important 15th anniversary event in
the capital city of Hungary.**

The title of the congress 'Family planning and contraception from adolescence to the menopause' highlights that we will deal with numerous issues relating to the reproductive health of all. It is the ESC's aim to provide a platform for introducing and exchanging the latest scientific and sociologic knowledge in the field of reproductive health. Improving and sharing our knowledge can facilitate providing the most suitable, safe and effective healthcare. The Congress will provide an excellent opportunity for researchers, clinicians and other professionals to extend their knowledge and meet with international experts in this field. The programme has been divided into sessions on: technology & basic science, clinical practice, culture & policies, quality of services, general/other. In addition, there will be "Meet the Expert sessions", "Expert Group sessions" and "Joint Society sessions", which allow deeper discussion of special topics in smaller groups.
