# ICBIP 2018

20TH INTERNATIONAL CONFERENCE ON  
BRONCHOLOGY AND INTERVENTIONAL PULMONOLOGY

**LONDON, UNITED KINGDOM**  
**FEBRUARY 15 - 16, 2018**

The ICBIP 2018: 20th International Conference on Bronchology and Interventional Pulmonology aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Bronchology and Interventional Pulmonology. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Bronchology and Interventional Pulmonology.

# OTS 2018

CHEST DISEASE CONFERENCE 2018  
ORGAN THORACIC SOCIETY

**FEBRUARY 15 - 18, 2018**  
**ORLANDO, USA**

The OTS Chest Disease Conference is designed to cover a broad spectrum of clinical pulmonary and critical care topics geared towards physicians and allied health professionals in pulmonary and critical care medicine, thoracic surgery, allergy, infectious disease, family practice and internal medicine.

Participants learn about the principles of diagnosis and treatment of common and unusual conditions for which recent new management strategies are available. The conference is held at Sunriver Conference Center in Central Oregon and the schedule was arranged for both educational and recreational opportunities. This conference is jointly sponsored by the American Thoracic Society, the Oregon Thoracic Society and the American Lung Association.

American Academy of  
Allergy Asthma & Immunology

# AAAAI 2018

## 2018 AAAAI/WAO Joint Congress Theme

The theme for the 2018 AAAAI/WAO Joint Congress is Global Environmental Change and Respiratory Health. Sessions related to the theme will represent about 20% of the educational program. Find out more in our interview with Annual Meeting Program Committee (AMPC) Chair Mary Beth Fasano, MD, FAAAAI, who speaks to how the theme reflects the unique opportunity of having a Joint Congress.

AMERICAN ASSOCIATION  
FOR THORACIC SURGERY  
A Century of Modeling Excellence

# AATS 2018

98TH ANNUAL MEETING OF AMERICAN ASSOCIATION FOR  
THORACIC SURGERY

**APRIL 28 - MAY 1, 2018**  
**SAN DIEGO, CA, USA**

Inaugurated in May of 2009 and conducted annually in conjunction with the AATS Annual Meeting, the AATS Leadership Academy exposes potential future leaders in our specialty to the administrative, interpersonal, and mentoring skills necessary to serve in a leadership position within their institution as well as the surgical community at large. In addition to a didactic and interactive program, participants are provided with focused networking opportunities with the goal of building professional relationships and future mentoring possibilities with faculty members who have been selected based upon their expertise in particular areas.
