ARAB HEALTH 2018

29 January - 1 February 2018

Dubai International Convention and Exhibition Centre

Arab Health is the largest gathering of healthcare and trade professionals in the MENA region, held annually in the last week of January.

The event was sold out months ahead of the 2017 edition and welcomed 96,925 visitors from 159 countries, highlighting its strength as the region's leading exhibition in the healthcare industry.

ESSO-EYSAC 2018 SURGICAL ANATOMY COURSE ON PANCREATIC CANCER

19-20 FEBRUARY, 2018
HEIDELBERG (DE)

This course is a hands-on workshop on surgical anatomy and operative techniques combined with an update on the current concepts of treatment of pancreatic cancer.

The workshop will focus on obtaining a thorough understanding of surgical anatomy and technical aspects of the operative treatment of pancreatic cancer within the framework of evidence-based clinical practice and multidisciplinary approach.

EUROPEAN SYMPOSIUM ON MINIMALLY INVASIVE SURGERY

2 – 3 MARCH 2018
FREIBURG IN BREISGAU, GERMANY

NEW ZEALAND ASSOCIATION
OF GENERAL SURGEONS

Promoting Surgical Excellence

2018 NZAGS ASM

Copthorne Hotel Bay of Islands, Paihia

17 & 18 March 2018

We would like to invite you to Northland to the 2018 NZAGS conference to be held in the Bay of Islands.

The focus of the conference is on Surgery in New Zealand: Past Present, and Future.

We will be reflecting on the past and learning from pioneers who shaped the face of modern surgical practice around the country. We will also be hearing from current experts and getting a glimpse of what the future may offer in several areas of General Surgery.

ASiT 2018

The Association of Surgeons in Training

6th-8th April 2018

Edinburgh

The Association is the second largest surgical specialty association in the UK with over 2,700 members.
ASiT's members come from all ten surgical specialties.

ASiT is the only body in the UK to represent trainees at both Core and Higher Surgical Training levels, with orthopaedic registrars also represented by BOTa.
